ACS Handels GmbH is one of the market leaders in the cable trade and is a second-generation, family-run and innovative company. We have been successfully delivering cables, wires and accessories for all industries and every purpose for over 20 years. Our customers are located in industry, mechanical engineering, plant engineering and electrical engineering.

“Everything from a single source” is our motto.
We have an extensive standard and warehouse program with over 5,000 items as well as international connections to major cable plants and distributors. Quick access to all types of cables, even in large quantities, is possible thanks to perfect logistics and the efficient use of cutting-edge technologies. In addition, we offer special cables and lines according to individual wishes and requirements.
